Journey to the Heart: Israel & Palestine

October 28 - November 9, 2008

"I came on this trip because I thought it was an important thing to do. But I received the blessing of being a part of a forty-two-eared holy being. Thank you!!"

Join Leah Green and Yael Petretti for our next Compassionate Listening training delegation in Israel & Palestine, October 28th - November 9th.

Learn skills for conflict-transformation, reconciliation and peace-making that will serve you in all aspects of life: in your family, community, workplace and beyond.

Journey with an intimate group of participants, age 27 - 70, for an unforgettable immersion into the heart of peace-making. No prior experience with the Compassionate Listening Project is necessary. We begin in Jerusalem with a training session and practice each day in the field with Israelis and Palestinians from all walks of life, as well as with one another.
