

## **Miracle Sunday, Crescent City UMC**

from 2002 Foundation report to Annual Conference Session

Crescent City UMC experienced one example of funding help, when they learned from a Spirit-ed Stewardship Workshop about what you can do through a Miracle Sunday. They went back home – and did it! In a church with a budget of about \$51,000, they raised \$41,000 on that one Sunday, put a lot of volunteer labor into it – and ended up with a newly remodeled building: safe, clean and beautiful for their Sunday School and music ministries!
