

SUPPORT A PASTOR

The United Methodist Church is growing at the rate of almost 20,000 new members annually in West Angola.

Churches – most of which are incomplete construction zones – are filled to capacity with crowds spilling out the doors. Churches are used on a daily basis for meetings, as classrooms, for worship, for community outreach centers.

Churches need to be built to care for the growing and shifting population.

There are currently 267 pastors serving 140,000 parishioners; and in a land with 70% unemployment, the pastors go unpaid.

A pastor's salary is approximately \$100 per month. If you would like to support a pastor by paying a monthly salary, with a commitment of six months or one year, contact the West Angola Partnership!

For more information about Supporting a Pastor contact the West Angola Partnership at (916) 374-1582, or suek@calnevumc.org.
